

Dec 30, 1941
Mrs E. Manley, -

I just received word from Tom Wilson that the N. W. L. meeting had been postponed until Jan 24th.

Tom claimed Ed Gottlieb was in his vacation.

There is nothing I can do about this, although I can not visualize Gottlieb on a vacation with the Shas playing Basket Ball each night.

However, if it means we would not have a financial report on Jan 3 and will have one Jan 24th then it may be better.

Personally I can not see why Ed has

not made his financial report.

He is always in a hurry for others to do this.

While I was supposed to be Treasurer, I did not have the doubtful honor of receiving or giving out any money.

I tried in every manner to get the real low down on the last East-West finance.

Examiner of Conishey Park must have been warned. He sent me the same report I received from Dr. Marten. When I asked for a copy of statement made to the Internal Revenue Dept. for that day, then he stopped writing.

As for Major Jackson and Harrison

were helping to get this statement, but
all at once they stopped corresponding.

Some thing was wrong. Tom knows
some thing that Martin told him
but is very secretive about it.
He may explain later.

Sammy man is sore because Tom
portended meeting an account of
Gottlieb.

I have requested the Detroit Park to
allow me as Secretary of our league to
sign for some dates where all the
clubs of our league will get a chance
to play in Detroit. I doubt if I can get
it, unless a club is put on activities
of many others who are in Organized
Neger Baseball. As Tom has told
over

me that he has notified all
members of the change in the
date of our meeting, I will not
notify any others, except by card.
I wonder if some other member
could not have been present
if the same procedure would
have followed.

Regards to Abe.

Yours
